**Truth in Savings disclosures**

Except as specifically described, the following disclosures apply to all accounts listed on this schedule:

- Rate.** The interest rate and annual percentage yield on your accounts are set forth above. For interest-bearing accounts, the interest rate and annual percentage yield may change monthly as determined by the Credit Union Board of Directors.
- Money Market and Premier IRA savings accounts** are tiered rate accounts. The interest rates and annual percentage yield(s) applicable depend on the balance ranges set forth above. Once your balance in one of these accounts has met a particular range, the interest rate and annual percentage yield for that range will apply to the entire balance in your account.
- Ignite Savings** is a tiered rate account. The interest rate specified for a tier will apply only to the portion of the account balance that is within that tier. The range of annual percentage yield(s) (which vary depending on the balance in the account) are shown for each tier.
- Compounding and crediting.** Interest will be compounded and credited as set forth above.
- Accrual of interest.** Interest will begin to accrue on non-cash deposits (e.g. checks) on the business day the deposit is made to the account.
- Balance Information.** The minimum balance required to open each account and to obtain the stated annual percentage yield is set forth above. For all accounts with a minimum balance required, if the minimum balance is not met, you will not earn the stated annual percentage yield. For checking accounts, the minimum balance required to avoid a service fee is set forth above. For all interest-bearing accounts, interest is calculated by the daily balance method that applies a daily periodic rate to the principal in the account each day.

**Unsolicited emails and telephone calls**

The Credit Union never sends emails or makes unsolicited telephone calls asking for your personal information. While we do contact members via telephone regarding service and to respond to individual requests, we will never ask for personal information like ATM & debit card PIN numbers, or online banking passwords. **Important information about procedures for opening a new account**

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person/entity who opens an account. What this means for you: When you open an account with The Credit Union, we will ask for your name, address, date of birth, and other information that will allow us to identify you.
